

# AUTOMATE

## TERMS AND CONDITIONS

---

1. An Automate order must represent a minimum of 50% of total straw order for each farm having an Automate order
2. CRV will allocate the maximum number of straws per farm that you will need (minimum order 250 straws).
3. PortaBull must be used at mating. This will be loaded with SireMatch Protect to protect your herd against inbreeding.
4. At AB all matings must be entered into PortaBull (applies to DIY and 'In the cow' CRV AB Technician).
5. The Customer cannot move straws between the farm the straws were ordered for and any other farm.
6. After AB is complete for the farm using Automate, and PortaBull is closed, you will be invoiced for the number of straws used, based on the PortaBull records.
7. There is no storage available of any straws when an order includes Automate, including Nominated straws. The Customer agrees that all unused genetic product will be destroyed.
8. Separate orders are required for Nominated Bull Packs. Nominated straws are invoiced on dispatch.
9. In addition the standard CRV Terms and Conditions apply and are to be read in conjunction with the above and definitions used in the standard terms and conditions also apply to these Automate Terms and Conditions.
